Certificates and medals will be presented to the first 3 in each event and the best results from Derby Clubs will be recorded as County Champions for this year. The competition will be run with 1 round of poules and DE.

It may be necessary to combine age groups and boys and girls together, but there will still be the same prizes. Where there is only one entry then that fencer will be declared the winner. It will only be possible for fencers to enter one event so giving as many fencers as possible the chance of winning a medal.

Access to the venue: enter the campus through the main gate and park in the first car park on the right (no charge for Sundays). Walk across the road and enter the University atrium through the main revolving door. Continue to the far end of the atrium using the stairs opposite Waterstones book shop to a ramp leading to the upper level and a servery (which will be closed) at the far end. On the left there is a single door leading to a short corridor to the outside. Once outside, go down a few steps to the Sports Hall entrance on the left.

Entries should be sent by email to: Trysport@tiscali.co.uk or passed to your club DCFU representative with the correct fee
