## AGM

The club held its Annual General Meeting on 31st October. Minutes and reports can be found on the website. Members voiced their views very clearly and a number of constructive points came out of the meeting.

This year Foiled Again will strive to:

1. Hold more competitions with other clubs;
2. Introduce more workshops on specific topics at training sessions; and
3. Encourage fencers to improve their skills further by offering coaching aimed at intermediate and advanced fencers.
